

Earn CEU Credits at the AORN Expo

We are pleased to offer the opportunity for you to earn CEU credits through our in-booth (#1810) educational sessions. An overview and availability are shown below.

FEATURED PRESENTATIONS

Clear the Air®: The Time Is Now

This surgical smoke management course will offer the opportunity to:

- Review three components of surgical smoke
- Discuss measures to protect perioperative staff and patients from surgical smoke
- Describe smoke management initiative using the Evidence-Based Practice Process
- Utilize strategies for smoke management implementation

Patients Under Pressure

This laparoscopic insufflation course will offer the opportunity to:

- Review the effects of insufflation during laparoscopic and robotic surgery
- Discuss the benefits of operating at a lower pressure
- Explore literature documenting the outcomes of low pressure laparoscopy
