Imagine what we could do together.

Ordering Information

Competitive Series

Large bone oscillating saw blades featuring equivalent to better performance compared to Stryker's Dual Cut, Performance, and 2108 series.*

Micro Competitive Series

Expanded micro sagittal blade portfolio featuring new coarse and fine-tooth profiles for small bone applications that provide increased cutting efficiency and aggressiveness with a greater election of dimensions.

Premium Series

The unique honeycomb texture is designed to reduce heat generation and prolonged contact within the cutting block. The tooth profile features teeth with specially ground clearance to help deliver increased cutting efficiency.

Offset Series

Additional large bone oscillating blades with unique dimensions.

Competitive Reciprocator Series

Expanded collection of large bone reciprocating blades.

Performance Cut Series

Designed to be a competitive offering to Stryker's "Dual Cut" blade line.

*PDD2676205

Ordering Information

Choose the blade that fits and convert with confidence.

Use the chart below to find the HALL® compatible blade that aligns with your current dimensions and performance needs. Comparative order codes make it easier to switch from your existing blade while maintaining the size and profile you prefer.
