

# Conmed Supplier Routing Guide

Effective: September 1, 2019

CONMED is a global medical technology company that specializes in the development and sale of surgical and patient monitoring products and services that allow our physician customers to deliver high quality care and as a result, enhanced clinical outcomes for their patients.

With products that are recognized as technological leaders by the specialties they serve, healthcare professionals within the Orthopedic, Laparoscopic, Robotic & Open Surgery, Gastroenterology & Pulmonology and Cardiology & Critical Care specialties have come to value the CONMED name across the world.

Our broad portfolio focuses on the needs and wants of specific specialties while coming together at the point of care delivery to offer our customers the power of choice and the power of convenience.

Conmed attributes much of its success and growth to the partners that provide us with the highest quality materials, pricing, and service.

Conmed has developed this Supplier Routing Guide to provide our approved suppliers, manufacturers, distributors, and strategic business partners with information about our expectations and practices regarding the shipping and routings of Conmed materials. The content contained within the following slides provides our standards and requirements regarding on-time delivery, receiving requirements, carrier details, modes of transport, and other relevant information. When and where applicable, Conmed reserves the right to amend this Supplier Routing Guide and post the most current version of which to our external-facing website at [www.conmed.com](http://www.conmed.com). This Supplier Routing Guide will be binding upon you if you choose to continue doing business with us after such posting. In the absence of a supplier or vendor agreement between you and Conmed, this Supplier Routing Guide, together with the Purchase Order, constitutes the entire agreement between you and Conmed, with respect to the purchase of materials as described on the applicable Purchase Order.

Suppliers must comply with the procedures and requirements described herein to maintain their position as an “approved” supplier, as we only conduct business with the most consistent and reliable partners. If you require clarification, or have questions about the guidelines and requirements herein, please contact the Conmed buyer named on the purchase order you received or Conmed’s Transportation Manager:

Chris Sextro  
Transportation Manager  
O: 727-399-5516

<b>Shipping/Receiving Hours</b>	1000-1800		
<b>Special Instructions</b>	Every month 2 <sup>nd</sup> Saturday is off in Customs so need to ensure no shipment is landing on Friday in Second Week of the month . One Shipment is Landed in India Customs Bill of Entry ( BOE) is to be filled within 48 working Hours or else the Penalty will be incurred as follows : INR 5000 each for next three days and then INR10,000 from the fourth day onwards , hence it is very important to get the pre-alert and all documents well in advance before the shipment lands in India Customs		

1. The Conmed Purchase Order Number or Return Authorization Number must appear on all domestic and international documents including, but not limited to: Commercial Invoice, Packing List, Bill of Lading, Airway Bill, Ocean Bill.
2. Supplier must follow this routing guide - NO EXCEPTIONS
3. Unless otherwise stated on the purchase order, the supplier should ship with the least cost service available. This would be ground for US Domestic small parcel shipments under 150 lbs., Standard LTL (not priority or guaranteed), Single driver (not team service) for truckload, and the least cost options for airfreight (UPS Expedited for under 150 lbs.) and ocean shipments.
4. For small parcel shipping, Conmed will provide the UPS account number to use. If an account number is not provided on the purchase order, please contact Conmed.
5. Should you have any service issues with any of the carriers selected on this routing guide, you should contact Conmed for alternative routings or carrier.
6. Conmed uses the following weight/space breaks for domestic mode of transport selection:

**Small Parcel:** 1-149 lbs. This can be actual or dimensional weight. To find the dimensional weight of a shipment take the length of package x width of package x height of package in inches and divide by 194.

For multiple package shipment: If the total weight of the boxes is equal to or greater than 149lbs, the boxes must be placed on a pallet, shrink wrapped, and shipped the appropriate service.

**LTL:** 149 lbs. to 19,999 lbs. or using 20ft of space in the trailer. This is typically 8-12 standard 48x40 inch pallets. If you are unsure whether to ship LTL or move to truckload, please contact Conmed for instructions.

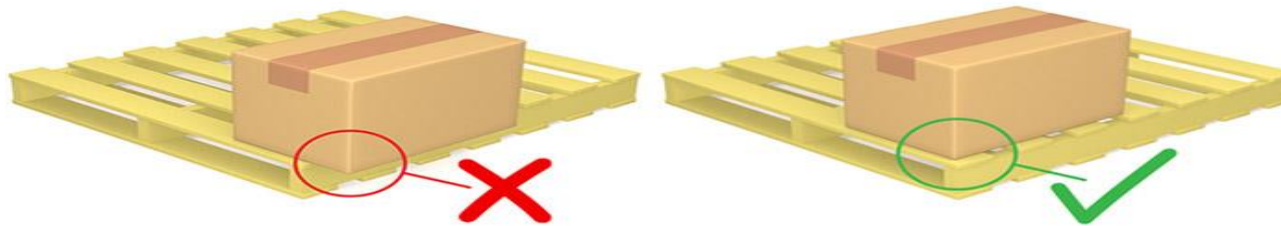

**Truckload:** For any shipment over 20ft of space and or 19,999 lbs.

## Boxes:

- Boxes must be new and clean condition. The using of “reused” or “repurposed” boxes is not permitted
- Boxes must be free of unneeded labels or excessive tape
- Box should be of good quality and capable of handling the product(s) being shipped without damage
- Boxes should be of proper size to the product being shipped to reduce dimensional costs/charges
- All boxes must be securely closed with packaging tape or similar and have the packing list affixed to the outside of the box with and additional copy inside.

## Pallets:

- Pallets me be 48 x 40 inch 4-way pallets of either wood or plastic
- No missing or broken top or bottom boards or stringers/runners
- No double stringers/runners, patched boards, or metal repair plates
- Pallets must be clean and odor free
- Maximum weight of the pallet must not exceed 2,000 lbs.
- Pallets must be shrink wrapped and strapped. All boxes must be within the perimeter of the pallet, no boxes can hang off the sides.

1. All documents including, but not limited to, bill of lading, packing lists, shipping manifests must be in English.
2. All bill of lading and packing lists must include Conmed's Purchase Order or Return Materials Authorization (RMA) number.
3. For truckload shipments, a manifest or comprehensive packing list must be affixed to the last pallet on the truck.
4. Packing lists must include the following:
  - For parcel shipments, a copy of the packing list must be inside the box and also affixed to the outside of the box.
  - For LTL shipments, each pallet must have a packing list affixed to the outside of the pallet. For multiple pallet, a master packing list must be affixed to one of the pallets.
  - For truckload shipments, a master packing list must be affixed to the last pallet on the container.
  - Name and address of the shipper/consignor
  - Name and address of the consignee
  - Part number(s)
  - Quantity of items shipped, number of boxes/containers and description of the items
  - Net and Gross weights stated in lbs.
  - Dimensions of the pallet(s) or box(s)

5. All Bill of Ladings MUST include the following:

- Name and address of shipper and consignee
- Name of carrier the shipment is being tendered to
- Terms of shipment, prepaid, collect, or third party. Conmed utilizes a third party freight invoice audit and payment service.

Bill of ladings should be marked third party bill to:

Conmed C/O Intelligent Audit

1355 Windward Concourse.

Suite 205

Alpharetta, GA 30005

- Date of pickup
- Carrier identification number. IE trailer number, truck number, driver's license number.
- Type of packaging. IE pallet, carton, drum, box, etc.
- Quantity of packages tendered/loaded to the carrier.
- Class and NMFC number for LTL shipments
- Exact weight of shipment
- Description of the goods
- Any special instructions

1. All documents including, but not limited to, airway bill, ocean bill of lading, commercial invoice, packing list, and shipper's letter of instruction must be in English.
2. Commercial Invoices Must Contain the following:
  - Conmed Purchase Order Number or Return Authorization Number (RMA)
  - A complete and clear description of the item(s) being shipped (including Conmed part numbers if applicable/available)
  - Harmonized Traffic Schedule (HTS) for each item included in the shipment, verified by Conmed's Trade Compliance Department. For verification, please send a verification request to: [InternationalLogisticsMailbox@conmed.com](mailto:InternationalLogisticsMailbox@conmed.com)
  - Country of Origin must be verified or provided by Conmed's procurement team, for each item included in the shipment. The Country of Origin is where the item was manufactured and **not** where it shipped from.
  - The declared value will be the transaction value Conmed as agreed to pay for the goods supplied. For items being returned on a RMA, use the original exported value. All values must be in **US Dollars**.
  - Samples that are being shipped must include the commercial value of the parts for US Customs Purpose. Use fair market value of the item if it was sold in the US.
  - FDA Intended Use Code (IUC) must be added as a reference when applicable.
  - Medical Device Listing Number (if applicable)
  - FDA Product Code (if applicable) 510K, MDL, etc. (if applicable)
  - Full name and address of the manufacturer of the items in the shipment.
  - Shipper and Consignee's name, address, contact name, and telephone number.
  - It is vital that the product packaging contains Country of Origin (COO) marking in accordance with US Customs Regulations

### 3. Packing list must include the following:

- All packing lists must be in English
- Conmed Purchase Order or Return Materials Authorization (RMA) number.
- For parcel shipments, a copy of the packing list must be inside the box and also affixed to the outside of the box.
- For LCL and airfreight shipments, each pallet must have a packing list affixed to the outside of the pallet. For multiple pallet, a master packing list must be affixed to one of the pallets.
- For full container shipments, a master packing list must be affixed to the last pallet on the container.
- Name and address of the shipper/consignor
- Name and address of the consignee
- Part number(s)
- Quantity of items shipped, number of boxes/containers and description of the items
- Net and Gross weights stated in lbs.
- Dimensions of the pallet(s) or box(s)
